| Please be advised that any information provided to Sturgeon County (the "County") in order to process your application is subject to the application of the Access to Information Act (ATIA) and may be used and disclosed in accordance with the legislation. Specifically, all documents and studies required to be prepared and submitted by the applicant to the County are deemed to be publicly available and the property of the County once they are submitted to the County to process the application. Unless the submitting party explicitly indicates, in advance and clearly on the face of the record, that certain parts of the information are provided in confidence to the County and are to remain confidential, all documents and studies submitted to the County we subject to disclosure under the ATIA. If confidentially is required, it is the responsibility of the submitting party to clearly mark such records as Confidential and provide written rationale for the request. Should the applicant provide the County with such a declaration of confidentiality, the County will take this under consideration to determine if the document and/or study can be accepted in confidence; however, the County cannot guarantee that such information will remain confidential and will not be subject to disclosure pursuant to the ATIA. |                      |                                    |  |  |  |
