

## ACCOUNT SETUP - Flo Electric Vehicle Charging Stations

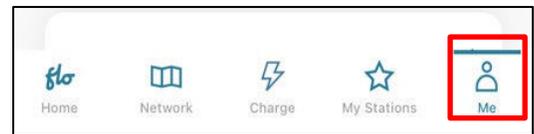

1 Users must download the Flo EV Charging App (IOS or Android) and set up a user account.

<https://www.flo.com/en-CA/drivers/mobile-app/>

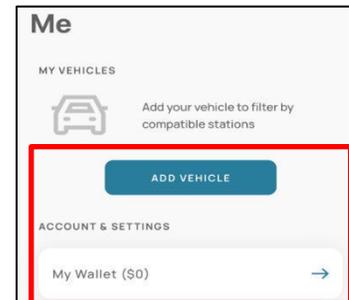

2 Add funds your Flo Charging Account and add your vehicle type.

A. Open the Flo App Select the **'Me'** icon at the bottom menu.

B. Then select **'My Wallet'** in the menu and follow the steps for adding funds to the account using a credit card.

C. Users can now start a charging session using the Flo App. (See Flo User Guide on how to start a charging session)

D. **Optionally** users can select **'Add Vehicle'** to enter your EV, make and model. This will ensure the vehicle is compatible with the charging station.

3 **OPTIONAL STEP** - Ordering a Flo Access Card via Mail (\$15 Fee)

Select the **'Me'** icon at the bottom of the screen, then select **'My Wallet'**.

The Flo Access card allows users to start charging without Using the Flo App. Users simply need to **tap this card** at any Flo charging station to begin a charging session.
