5. Policy Statement

Section 347(1) of the *Municipal Government Act* (MGA) states that, if Council considers it equitable to do so, it may, with respect to a particular taxable property, with or without conditions, cancel or reduce tax arrears, cancel or refund all or part of a tax, or defer the collection of a tax.
- 5.2. Section 203(2)(d) of the MGA states that Council may not delegate its power with respect to taxes under section 347.
- 5.3. To improve the efficiency of Council's consideration of taxpayer requests for tax cancellation, reduction, refund, or deferral, Council has established the following distinct processes:
 - 5.3.1. Requests for property tax penalty cancellation, reduction or refund resulting from late payment of taxes.
 - 5.3.2. Requests for property tax cancellation, reduction, or refund resulting from a fire loss.
 - 5.3.3. Requests for property tax exemption or deferral of non-residential (class 2) properties and machinery and equipment (class 4) in Alberta's Industrial Heartland.

6. Policy Guidelines

- 6.1. Requests by taxpayers for property tax cancellation, reduction, refund, or deferral shall be made in writing to Administration.

Requests Made Due to Late Payment of Taxes

- 6.2. Upon receiving a written request that property tax penalties be cancelled, reduced, refunded, or deferred, Administration shall review the request and consider whether the request is eligible under the Tax Installment Payment Plan (TIPP) Bylaw where penalties are held in abeyance and subsequently cancelled if the taxpayer meets the requirements of the program.
- 6.3. If the request is eligible, Administration shall contact the taxpayer and provide the necessary information for the taxpayer to enroll in TIPP.
- 6.4. If the taxpayer enrolls in TIPP, the request is considered to have been addressed and Council will not consider it.

Requests Made Due to Fire Loss

6.7. When presenting its recommendation, Administration shall consider the pro-rated municipal tax based on the reduced assessment value of the property and improvements due to the fire.

Requests for Non-Residential Properties Eligible Under the Heartland Incentive Bylaw

6.8. Requests eligible under the Heartland Incentive Bylaw will be forwarded to the Program Officer designated by the County Commissioner. Requests will be processed in accordance with the requirements of the Heartland Incentive Bylaw.

6.13. Council shall consider the Committee's recommendation but retains the discretion to make decisions that it considers to be equitable given the unique circumstances of each request.
