ALUS Project Description
Describe the project(s) you would like on your land that would improve the environment while fitting with your working farm/ranch plans? Include the acre size of each project. Please attach any applicable maps.
Why are these projects important to you and how will they improve your farm/ranch and the environment?
Legal Land Description of the project location:
What is the primary agricultural land use of the property where the project(s) will be located (pasture, cropland, hayland)?
Have you applied to any other cost-sharing program or agencies to help support this/these project(s)? Yes <input type="checkbox"/> No <input type="checkbox"/>
Will the project(s) be located on land that you: Own and farm/ranch? <input type="checkbox"/> Own and rent to a farmer/rancher? <input type="checkbox"/> Rent from the landowner? <input type="checkbox"/>
Would you be interested in having your project showcased as a Demonstration Farm? Periodically, Demonstration Farms are asked to be part of a farm tour to show their ALUS projects or speak from the perspective of a farmer/rancher participating in ALUS. This is an excellent way to build awareness of the program and showcase the benefits of working with nature as well as allowing others to learn from your projects. Yes <input type="checkbox"/> No <input type="checkbox"/>
