

National Volunteer Week

April 27-May 3, 2025

Proclamation

Whereas, last year alone, Sturgeon County groups and organizations contributed over 24,000 volunteer hours, representing a monetary value of over half a million dollars; and

Whereas, Sturgeon County is full of inspiring community builders and volunteers who so generously give their time, energy and talent to making our County even better; and

Whereas, Sturgeon County is honoured to recognize and thank local volunteers at our annual Volunteer Appreciation event;

Therefore, I, Alanna Hnatiw, Mayor of Sturgeon County, do hereby proclaim April 27 to May 3, 2025, as Volunteer Week in Sturgeon County.

We are grateful for the time, skills, empathy and creativity all Sturgeon County volunteers offer and how they contribute to the inclusivity, strength and well-being of our community.

I urge all residents to consider how they can join volunteer efforts, whether for a single event or as part of a local group or association, to further strengthen the positive impact that volunteerism has on our community.

Alanna Hnatiw
Mayor, Sturgeon County
