Moose Hide Campaign Day

May 15, 2025

Proclamation

May 13, 2025

Whereas, May 15 marks Moose Hide Campaign Day, a day for Canadians to stand together to end violence against women and children, which includes wearing a moose hide square that pledges support to honour, respect, and protect women and children; and

Whereas, Sturgeon County supports the Moose Hide Campaign's values and acknowledges the deep cultural significance of the Campaign and its role in promoting positive change through community engagement and education; and

Whereas, Sturgeon County is committed to creating inclusive environments — guided by the values at the heart of this movement: respect, responsibility, compassion, courage, honesty, humility, and integrity — where Indigenous and non-Indigenous women and children are safe.

Therefore, I, Alanna Hnatiw, Mayor of Sturgeon County, do hereby proclaim **Thursday, May 15, 2025, as Moose Hide Campaign Day** in Sturgeon County and share the commitment to raise awareness and honour those affected.
