

Local Food Week

August 8-17, 2025

Proclamation

July 15, 2025

Whereas, Local Food Week shines a spotlight on Alberta's thriving agricultural sector and culinary talent through Alberta on the Plate - a province-wide initiative that celebrates food grown, raised, and crafted here in Alberta; and

Whereas, the annual Dine Around event connects diners with the source of their food by featuring locally inspired menus curated by restaurants that showcase the work of Alberta's producers, farmers, brewers, and distillers; and

Whereas, Alberta on the Plate supports the local food economy year-round by fostering partnerships between chefs and producers, and by sharing the stories behind Alberta's food culture with residents and visitors alike; and

Whereas, Sturgeon County is proud to support and promote local innovators in agriculture and food-based businesses who promote investment, visitation, and diversity in our County.

Therefore, I, Alanna Hnatiw, Mayor of Sturgeon County, do hereby proclaim August 8 to 17, 2025, as Local Food Week in Sturgeon County. As a community, let us honour our agricultural legacy and take part in celebrating the flavours, people, and places that make Sturgeon County unique.

Alanna Hnatiw
Mayor, Sturgeon County
