

# Canada's Agriculture Day

February 10, 2026

## *Proclamation*

**Whereas**, Canada's Ag Day is honoured on February 10, 2026, marking its 10th anniversary and celebrating the food we enjoy and the people who produce it; and

**Whereas**, agriculture is the backbone of Canada and Sturgeon County, contributing to our well-being, growth, and prosperity with 747 farms covering more than 513,000 acres and generating \$421 million in gross farm revenue; and

**Whereas**, Sturgeon County is a leader in agriculture, with regional leadership in turkey production and overall leadership in hen and chicken production, and for the commitment of local producers to sustainable practices that protect and improve our land and natural resources; and

**Whereas**, Sturgeon County, through its Agriculture Services department, supports our farming and rural communities with programs such as weed control, roadside mowing, and educational workshops.

**Therefore**, I, Alanna Hnatiw, Mayor of Sturgeon County, do hereby proclaim February 10, 2026, Canada's Ag Day in Sturgeon County and encourage everyone to recognize our hardworking farmers by enjoying healthy meals, learning where our food comes from, and sharing pride in Canadian and Sturgeon County agriculture.

*Alanna Hnatiw*  
Mayor, Sturgeon County
